### PARISH SUPPORT (10/19/2014)

Stewardship is an important concept for our spiritual growth as Catholics. It is a way of thanking God for all His blessings by returning to Him a portion of the time, talent, and treasures we have received.

La administración es un concepto importante para nuestro crecimiento espiritual como católicos. Es una manera de agradecerle a Dios por todas sus bendiciones y regresarle un poco de tiempo, talento, y tesoros que hemos recibido.

## Gospel Meditation:

Jesus' answers to questions about the greatest commandment are remarkably simple: love God and love your neighbor. This also makes a nice summary of the Ten Commandments. Are you following these commands of Jesus? Make an examination of conscience to help you find the answers.

Las respuestas de Jesús a las preguntas sobre el mandamiento más grande son muy simples: ama a Dios y ama a tu prójimo. Esto también resume bien los Diez Mandamientos ¿Está usted siguiendo estos mandamientos de Jesús? Haga un examen de conciencia que le ayude a encontrar las respuestas.

### **During the Fall Months When Flu is Easily Spread,**

it is good to remember some rules of charity: Wash your hands thoroughly with soap and water and use hand sanitizer regularly. If you are sick, stay home from Mass; and if your children are sick, keep them home from Religious

Education. Teach your children to cover their coughs and sneezes appropriately.....And remember, it is not a sin to miss Mass when you are sick

### **Solemnity of All Saints:**

Solemnity celebrated on the first of November. It is instituted to honor all the saints, known and unknown, and, according to Urban IV, to supply any deficiencies in the faithful's celebration of saints' feasts during the year.

**Mass time will be 5:30 pm on Saturday, Nov. 1.**

**Do you know...** *why we as Catholics pray to and ask for intercessory prayers and help from saints?* Like all Christians, Catholics believe in life after death. Those who have lived good lives and died in the faith of Christ will, as the Bible tells us, share in his Resurrection. While we live together on earth as Christians, we are in communion, or unity, with one another. But that communion doesn't end when one of us dies. We believe that Christians in heaven, the saints, remain in communion with those of us on earth. So, just as we might ask a friend or family member to pray for us, we can approach a saint with our prayers, too. Many non-Catholic Christians believe that it is wrong to pray to the saints, claiming that our prayers should be directed to God alone. Some Catholics, responding to this criticism, have argued that we do not pray to the saints but with them. Both groups, however, are confusing prayer with worship. True worship (as opposed to veneration or honor) does indeed belong to God alone, and we should never worship man or any other creature as we worship God. But, while worship may take the form of prayer, as in the Mass and other liturgies of the Church, not all prayer is worship. When we pray to the saints, we're simply asking them to help us, by praying to God on our behalf, or thanking them for having already done so.
